An Army *May* March on Its Stomach, But— Its Morale Depends on News from Home

THIS month Indiana University dedicated its World War II Service Flag, proud recognition of nearly 6000 Indiana men and women now serving in the armed forces of our country.

Two years ago your Alumni Association provided a special membership rate of \$1.00 (which includes subscription to the INDIANA ALUMNI MAGAZINE) for those in service. Our membership list is now 5800 but—the special rate of \$1.00 was based on the hope that our civilian membership would not decrease. It has decreased. Many of our regular members are now in service themselves. Every service membership represents a loss over actual cost. Therefore, we need new civilian members more than ever before, because each new member means that one man or one woman in service can continue to receive the MAGAZINE. Too, we rather modestly believe that *you* will get a thrill from reading the MAGAZINE.

You may become a member yourself *and* you may include as many gift memberships for those in service as you care to for an additional \$1.00 each. They will be notified of your gifts. A convenient post card is enclosed.

*Look over the enclosed post card.
It offers several plans for your
consideration.*
